### INTRODUCTION

Hindus living in Pakistan i.e. erstwhile Bharat (India) are original inhabitants and original owners of the land which was created purely on Hindu hatred against which they are being held hostages depriving even from their basic rights to live. They are being targeted unabated on a daily basis for which they look upon the Hindus in India and also the civilized world for justice.

Pakistan clearly violates The Delhi Pact i.e. Nehru-Liaquat Ali pact Dt. 08<sup>th</sup> April 1950 under which protection for minority rights in Pakistan was guaranteed to avert war against its violation.

Pakistan violated the said pact immediately after six months by persecuting its first Law Minister Mr. Jogindernath Mandal, a Hindu by religion who was forced to resign on 08<sup>th</sup> Oct 1950 for raising the ongoing Genocide & Persecution on Hindus in West Pakistan later took refuge and lived in exile in India after Liaquat Ali Khan issued an arrest warrant against him.

As per HRC Pakistan an avg. 3 girls mostly minor including married women are daily abducted at gunpoint, forcibly converted to Islam and married off to their abductor (ref: worldwide media reports).

Prima Facie Hindu girls & married women are abducted at gun point for sexual exploitation and are forcibly converted to Islam and married off to their abductor immediately for legalizing their criminal act. On the contrary they are being raped/gang raped, filmed naked and threatened to kill them and their families, some of them escaped from the captivity admitting said facts.

There is no regulatory authority to regulate forced conversions and marriages and that the Judiciary also endorses certificates issued by any cleric of Madrasa & Dargah sitting at any nook or corner including advocates. The Nikah Nama also issued on the baseless grounds with forced thumb impression of uneducated girls & married women on the "Affidavit of Free Will" drafted in English stating therein that they are major and embraced Islam without any sort of verification process or any supporting documents determining their age.

The serial numbers issued on conversion certificates determines the number of conversions made every year moreover it is important to reach out the victims parents to trace the victims who are being sold as sex slaves within or outside the country and/or victimized of sexual abuse/domestic violence by the culprit & its family as it is common practice in Islam as per their cultural belief.

As per the report submitted by DIG Sindh Mirpurkhas division for the year 2020, over 200 dead bodies of men including women & children found hanging by neck on branch of trees & inside a house with torture marks (ref: KTN News: <https://fb.watch/h2wQX7gGI3/> )

Target Killings, Blasphemy, mass conversions, burning houses into ashes, attacks on Temples/Crematorium/Hindu Graveyards, bonded labors kept in confinement in private prisons are common practices by Muslim citizens with Institutional backing of Madrasas, law enforcement & judiciary due to which many Hindus are forced to take asylum in India

**Sir,**

I am a proud Hindu and original inhabitant of Bharat, a civilized member and an activist based in Mumbai raising Human rights violations against Hindus in Pakistan.

It's a matter of grave concern subject above which I have been addressing thru my social media accounts such as Twitter & Facebook by username: @maheshmvasu

It is significant to note that the issues addressed by me are warranted based on the reports published by regional TV News channel against which video clips can be found on my Twitter/Facebook account and the copies of reports attached herewith (pdf for email) for your kind reference. You may also refer video clips which shall be uploaded in a weeks time on my Google drive folder link:

# GENOCIDE & PERSECUTION OF HINDUS IN PAKISTAN

## 4500 YEARS OF GREAT CIVILIZATION & IDENTICAL TRADITION BUT STRUGGLING TO KEEP IT ALIVE

Now They Get Bullets, Demolished Houses, Rapes, Abductions, Forced Conversions & Marriages, Target Killings, Pvt. Prisons & Blasphemy from Muslims

: @maheshvasu

: pakistan.i.e.bharat@gmail.com

The summarized highlighted incidents during the said period duly reported as follows:

1. Abduction, forced conversion of minor girls & married women, one girl was abducted & forcibly converted twice: 34 nos.
2. Mass forced conversion: 100 nos.
3. Dead bodies with torture marks found hanging by neck on branch of tree/inside houses: 37 nos.
4. Target Killings: 24 nos.
5. Bonded Labors as slaves freed from Pvt. Prisons of Muslim landlords: 35 nos.
6. Hindu houses burnt into ashes: 89 nos.

There are several other cases duly reported such as false blasphemy charges, attack on Hindu houses/temples/graveyards; illegal occupation over land & business with torture; extortion/torture/forced disappearances; attempt to rape & torture etc.

It is quite evident that it is a clear violation of Nehru-Liaquat Ali pact 1950 under which the protection of minority rights were guaranteed in order to avert further waging war against Pakistan which now seems to be inevitable.

It cannot be denied that despite the said pact signed by Liaquat Ali Khan, a Hindu leader Shri Jogindernath Mandal the first law minister of Pakistan was persecuted and was forced to resign on 08<sup>th</sup> Oct 1950 who then took refuge in divided Bharat.

It is an established fact that Muslims are persecuting Hindus unabated in Pakistan purely on the grounds of Hindu hatred as a result there is constant flow of migration of Hindus in India.

In view of above facts you are requested to take cognizance and take necessary action in order to bring justice to the Hindus who are unfortunate citizens of Pakistan paying for the sins they never committed who are deprived of their basic right to live against which they look upon us for the justice.

### **A Hindu youth arrested for marrying a Muslim girl in Pakistan.**

**Dear Sir,**

On Dt. 03<sup>rd</sup> Aug 2022, a Hindu youth Dr Anil Kumar from Mirpurkhas, Sindh, Pakistan was arrested by Sindh Police for marrying a Muslim girl from Lahore viz. Natasha (29) and is in Judicial custody, (refer Dawn News report Dt. 05<sup>th</sup> Aug 2022 link "dawn.com/news/1703243").

The couple fell in love and married five years ago as per Hindu rituals and Natasha was staying with her husband Dr Anil Kumar and his family since then.

Neither Dr Anil Kumar & his family nor Natasha let their Muslim neighbors know that she is a Muslim until their neighbors came to know the fact and informed the Police.

The Law in Pakistan does not permit Hindu Men to marry Muslim women even on their free will; instead they are forced to accept Islam to do so, neither Muslim women cannot marry Hindu men under The Hindu Marriage Act 2016 introduced just 6 years ago i.e. 69yrs after the creation of Pakistan Hindu marriages were not be recognized under the Constitution & Law, moreover section 12 (iii) of the said act clearly states that in case of conversion the earlier marriage of Hindu woman would be terminated without obtaining Divorce from her Husband.

On the contrary Muslim men are given free hand to abduct three Hindu minor/major girls including married women at gunpoint, gang raped, filmed naked, forcibly convert to Islam and married off to unknown married and elderly men.

Isn't it the biggest Human Rights Violation?

How can you turn a blind eye on this?

Can you imagine if the same treatment given to Muslims in India?

**Subject:** Two Hindu minor girls of one Kohli (Thakur) family abducted at gunpoint by 8 Muslim men of Dahokar family on Dt. 24<sup>th</sup> Sept 2022 from their houses at village Abdul Rehman Khoso, Khoso Colony, Tando Ghulam Ali, Badin, Sindh, Pakistan.

Complaint under Human Rights Council under 5/1 of 18 June 2007.

**Dear Sir,**

Eight Muslim men barged inside the house of Kohli (Thakur) early morning 4 am and abducted two Hindu minor girls at gunpoint for sexual exploitation.

Nisha (11) d/o Mavji Ashok Kohli & Heena (13) d/o Ramji Ashok Kohli were abducted by Muslim men Nathan, Hajan Abdullah, Ejhas, Sanaullah, Mustafa, Ayub Khaskeli & 3 Ors.

Nisha was forcibly converted on Dt. 26<sup>th</sup> Sept '22 and married to Sanaullah Dahokar, while Heena was reportedly converted on Dt. 14<sup>th</sup> Oct '22 and married to Mustafa Dahokar.

As per the conversion certificates they both were forcibly converted at Sufi Peer Jaan Sarhandi Dargah at Samaro.

The conversion & marriage of Nisha was duly reported by Regional TV News on Dt. 26<sup>th</sup> Sept '22 (fb.watch/gtDknNv1zp/) while conversion & marriage of Heena went unreported but went viral on social media on Dt. 14<sup>th</sup> Oct. 22.

The family approached the local police station including the SSP and Hyderabad court but to no avail, rather Police neglected and failed to file an FIR despite repeated request by the family members.

On Dt. 05<sup>th</sup> Nov '22 FIRs were filed under Child Marriage Restraint Act with the help of Hindu social activists Mansingh Thakur, Dr. Shyamlal Kachhi, Raja Hamir Singh Thakur and Faqir Shiva Kacchi.

Police action yet to be taken as per media reports.
